Wholesale Ordering & Policies

The Manghis' Bread strives to support our local economy. Please assist us by following these customer guidelines and policies:

Ordering

- Call the bakery, 802-223-3676, or email maria@manghisbread.com.
- Order a minimum of 24 hours before delivery.
- If you have ordering questions, contact Maria Manghi-Stoufer.

Delivery

- For over 35 years, the great majority of orders have shipped via volunteer delivery driver. This unique system keeps extra vehicles off the road and aids in the control of emissions, which helps our environment. This means that orders may come outside of receiving hours and into the main store versus the receiving department.
- Deliveries via Manghis' delivery staff:
 - Tuesday & Thursday morning south of Montpelier
 - Wednesday & Friday morning north of Montpelier
 - Deliveries leave Montpelier as early as 7 am.
 - In an effort to keep bread prices low, there is a fuel charge for deliveries with a Manghis' driver.

Merchandising

- Manghis' Bread merchandises ONLY at stores delivered to by Manghis Bread staff. Volunteer drivers and courier services will just deliver and drop. They do not merchandise.

Wholesale Pricing

- Pricing is at the sole discretion of the Manghis' Bread.
- Price changes will occur periodically due to increases in the cost of goods and resources. Every effort will be made to alert customers one month prior to price changes. Alerts will come via email and paper notification.
- All product labels are unpriced. All wholesale pricing comes with suggested retail pricing.
- Please mark shelving with shelf tags. If shelf tags are not available, **we offer laminated price signs upon request.** If you choose to alter the suggested retail price, please email your pricing information to maria@manghisbread.com for a custom price sign.

Invoices

- Each order is invoiced. Statements are sent Fridays to keep customers informed of their account standings.
- Manghis' does NOT issue credit memos. Credits are issued on the next invoiced order. There will be a credit line, memo line, and immediate deduction from the invoice total.

Inventory & Credits

- Inventory calls are made Monday–Friday from 7:30 am–12 noon.
- Manghis' offers a laminated form for use when taking current inventory and credits. If you do not have this form, please email maria@manghisbread.com. Our items are coded with twist tie colors and a date stamp for ease in product rotation.
- Credits are collected via phone Monday, Tuesday, and Wednesday. The following are the ONLY avenues for our store partners to deal with dated inventory (credits): Dated items can be given to the local food shelf, given to staff, or composted. We ask that you attempt to keep food out of the trash if possible!
- Manghis' guarantees each invoiced sale with the exception of all sweet treats and special holiday items.
- **Under no circumstances are credit items (dated inventory) to be placed on clearance shelves after they become dated.** We strive to offer our customers and your customers a quality product. If an item goes out of date it is no longer at its peak. Selling a dated item is selling an inferior product and will not be tolerated. Failure to comply with our guidelines regarding dated items will result in an immediate suspension of service.

Payment

- Manghis' Bread is NET 10.
- Manghis' will negotiate payment terms by request.
- Manghis' accepts payment via check and direct bank transfer.
- **Manghis' will NOT guarantee sales (NO CREDIT OFFERED) if a customer is 30 days past due on payments.**
- **Manghis' will SUSPEND sales if a customer is 60 days past due on payments.**

Since 1983, the Manghis' Bread has been happy to offer reasonably priced, hand-made baked goods in Vermont and New Hampshire. Thank you for supporting local small business and choosing to sell the Manghis' Bread!

Handling & Storage for Delis, Restaurants, and Other Non-Retail Customers

- Product dated with the date made.
- Product best used the day received or within 48 hours.
- Rotate product to maintain freshness.
- Store product in a temperate location away from extreme temperature and direct sunlight.
- Freeze product for future use! Remove from freezer the morning needed.
- DO NOT REFRIGERATE! Product will dry out and there can be a change to the texture and crumb of the product.

**Your proper handling of our baked goods = excellent products at your establishment!
Let's work together to ensure fabulous quality!**
